Re: MUR 4953

Dear Mr. Velasquez:

This will respond to the complaint you sent to me in MUR 4953.

I began my employment at the National Republican Congressional Committee over three weeks after the events described in the complaint by the Democratic Congressional Campaign Committee. As a result, I had no responsibility for or knowledge about the funds sent to the USA Family Network.

The comments attributed to me in the Roll Call article cited in the complaint were taken out of context, and do not accurately reflect my knowledge about these funds, about which I had no first-hand knowledge.

Sincerely,

Dan Mattoon
